

By increasing our network, believing in a compelling and fully developed vision and mission and conducting robust conversations, chances for success improve dramatically.

- Vision
- Mission
- Strategies
- Expand paradigms

**Compelling
Vision**

**Science of
Networks**

- Expand input and output within your network.
- Become a network hub.

***The
Sweet
Spot***

**Robust
Conversations**

- Be present
- Speak and encourage the truth
- Adjust communication style
- Make powerful requests
